RIVERSIDE GARDENS

414 N. Main Street

ST. LOUIS, MICHIGAN

This Garden was Grown from Riverside Gardens Plants. You too, can have a Garden like this in your back yard at a very small cost. Come and visit us, or write us.

You Are Welcome

VISITORS are welcome at Riverside Gardens, which are open every day of the week. All during the summer, hundreds of roses of every color vie with a quarter of a million glads of over three hundred varieties, and with ten thousand dahlias of every color and type. When passing through St. Louis, the center of Michigan, visit Riverside Gardens, which are located on the north bank of Pine River. Riverside Gardens are on the new highway to the St. Louis oil fields.

OUR GUARANTEE

All goods are guaranteed to reach you in good condition. We use every possible care in packing and filling orders, but should an error occur, we will be glad to rectify it. Should any tree or plant prove untrue to name we will replace the stock or refund the purchase price upon proper proof, but in no case can we become liable for a greater sum than the purchase price of the stock. It is impossible at the price we sell, to guarantee growth or to be responsible for stock after delivering it to you in good condition, except the roses, covered by a special guarantee.

CARL BANEY,
Owner-Manager.

Cut flowers are on sale all during the summer at very reasonable prices.

If you do not find what you want in this list, write for it. We will also quote prices on quantity lots.

TERMS: All orders are cash. We will ship C.O.D. if 20% is sent with the order. Everything is offered subject to being unsold on receipt of order. By placing orders, buyers are considered to agree to these terms. When an item is sold out, we reserve the right to substitute a similar article of equal or greater value, unless otherwise instructed.

We are always glad to answer any questions and are glad to give you suggestions and plan for landscape work without cost.

On every order of \$1.00 or more we will send 1 Chabaud Hardy Carnation for garden or pot culture if the order is accompanied by 5 names of friends interested in flowers and fruit.

ST. LOUIS

St. Louis, Michigan, was incorporated October 16, 1868, and is situated in Gratiot County in the very heart of the richest agricultural section of Michigan, on the banks of the Pine river, and is almost the exact center of the lower peninsula of Michigan—52 miles north of Lansing, 30 miles west of Saginaw, 96 miles northeast of Grand Rapids and 125 miles northwest of Detroit. Trunk line highway M-46, running east and west across Michigan, passes through the city, and US-27, running north and south across the state, also passes through the city. Both are paved highways. Numerous inland lakes are within easy driving distance.

Hotel Facilities . . .

St. Louis has a fine hotel, managed and owned by J. B. Sumner. It is noted the world over for the curative power of its Magnetic Mineral Baths.

Banking Interests . . .

The banking interests of the community are taken care of by the Commercial State Savings Bank, the oldest state bank in Gratiot county.

Retail Business . . .

All lines of retail business are well represented here with good stores owned and managed by alert, progressive business men.

City Parks . . .

St. Louis has a beautiful park in the center of the city, and a tourist park on the bank of Pine river, furnished with stoves, a shelter, swings, rides and a bathing pool for the kiddies; also a fine flowing well of mineral water.

100% Pure City Water . . .

In addition to excellent water the city has municipal power and light plants, gas, paved streets and a boulevard lighting system. Thousands of hard maple trees throughout the city add materially to the attractiveness of the city.

Churches - Schools - Newspaper

St. Louis has many fine churches, good schools, a live weekly newspaper, several lodges and a business men's Service Club.

POST CARD

Sugar Factory . . .

St. Louis boasts a sugar factory, making the finest sugar, which not only employs many men during the campaign, but pays hundreds of thousands of dollars to the farmers for their beets.

Tile Factory . . .

A tile factory located on US-27, just west of the city, does a nice business.

Home of "Golden Lily" Butter

A Co-operative creamery, making the famous "Golden Lily" butter, buys eggs, poultry, and handles feed and fertilizers.

Flour Mills - Elevators - Lumber Yards

O'Melia Mills, making a high grade of flour, and other elevators, insure a good market for farm products. The lumber and coal yards are well equipped to supply the needs of the community.

Near Oil Fields

St. Louis is on the edge of one of the richest oil producing fields in Michigan and with a high quality of oil. At the present time arrangements are under way to pipe natural gas to St. Louis from gas wells but a few miles distant. An oil pipe-line is already in the city with car loading facilities for shipping.

For any further or special information concerning St. Louis, address Earl Guthrie, Secretary, Service Club, St. Louis, Mich.
